IT Caratteristiche linea Ready2Eat®

- Imballo robusto ed attraente che conferisce al prodotto un miglior posizionamento sullo scaffale.
- Resistente agli urti e alle ammaccature.
- Coperchi clip-on in PET trasparenti disponibili per la chiusura.
- Bordo liscio per la termosigillatura tramite film di chiusura per prolungare la shelf life dei prodotti confezionati.
- Trattamento della superficie – disponibili in alluminio nudo o laccato per migliorare la resistenza a fenomeni corrosivi.
- Temperatura di utilizzo per contenitori in alluminio nudo: -40°C a +280°C
- Temperatura di utilizzo per contenitori laccati: -40°C a 240°C.
- Utilizzabili in forno a microonde.
- Disponibili in versione Cash & Carry.

EN Ready2Eat® product characteristics

- Attractive robust product providing strong shelf presence.
- Resistant to crushing and damage.
- Designed for PET clip-on transparent lid.
- Flat flange for sealing transparent thermo-seal film for extended shelf life.
- Surface finish – available plain or lacquered for improved corrosion resistance.
- Temperature range for plain aluminium -40°C to +280°C.
- Temperature range for lacquered aluminium -40°C to 240°C.
- Suitable for microwave.
- Available in Cash & Carry sales units.

Environnement

IT Noi prendiamo in seria considerazione la nostra responsabilità verso l'ambiente. La progettazione di tutti i nostri prodotti viene realizzata ponendo particolare attenzione nella scelta dei materiali e nella riduzione del consumo energetico, ove possibile.

Garantiamo attraverso l'uso responsabile del prodotto il risparmio di sprechi alimentari e risorse preziose.

Noi sosteniamo attivamente le nostre organizzazioni professionali e le iniziative dei paesi locali nei loro sforzi per l'ambiente. Sosteniamo inoltre il riutilizzo e il riciclo di tutti i nostri prodotti.

EN We take our responsibility for the environment very seriously. We ensure that all designs of products take into consideration material choice and the minimisation of material and energy consumption wherever possible. We ensure complete product protection to save food waste and valuable resources.

We actively support our own professional organisations and local country initiatives in their environmental efforts and we educate and encourage the re-use and recyclability of all our products.

DE Wir nehmen unsere Verantwortung gegenüber der Umwelt sehr ernst. Wir sorgen dafür, dass alle Produktdesigns die Materialwahl und die Minimierung des Material- und Energieverbrauchs soweit wie möglich berücksichtigen. Wir sorgen für einen kompletten Produktschutz, um die Vergeudung von Nahrungsmitteln und wertvollen Ressourcen zu vermeiden.

Wir unterstützen aktiv unsere eigenen professionellen Organisationen und örtliche Initiativen in ihren Bemühungen um die Umwelt. Wir erklären und fördern die Wiederverwertbarkeit aller unserer Produkte.

FR Nous prenons très au sérieux notre responsabilité envers l'environnement. La conception de tous nos produits est réalisée en imposant une particulière attention dans le choix des matériaux et dans la réduction de la consommation d'énergie, dans la mesure du possible.

Nous garantissons à travers l'utilisation responsable du produit le gaspillage des denrées alimentaires et des ressources précieuses.

Nous soutenons activement nos organisations professionnelles et les initiatives des pays locaux dans leurs efforts pour l'environnement. En outre nous soutenons la réutilisation et le recyclage de tous nos produits.
